AMENDMENTS TO THE DRAWINGS

FIG. 5 on sheet 4 was amended as follows:

In block 53, the equation was replaced with the following corrected equation:

$$\phi_k = \phi_{k-1} + \gamma Img(y_k e^{-i\phi(k-1)})\, th[L_k/2 + 2/\sigma^2 Re(y_k e^{-I\phi(k-1)})]$$

In block 55, the equation was replaced with the following corrected equation:

$$\phi_k = \phi_{k+1} + \gamma Img(y_k e^{-i\phi(k+1)})\, th[L_k/2 + 2/\sigma^2 Re(y_k e^{-i\phi(k+1)})]$$

No new matter was added. Included with this Response is an amended sheet 4 of the drawings, marked, "Replacement Sheet".
